# Mission

To be a preeminent provider of professional Civil and Interior Services for commercial turnkey projects; to consistently focus on quality execution and add value for clients through innovation, integrity, aggressive performance and environmental conservation.

To synergize land development projects that stand out through their quality of execution.

Passion. Perfection. Progress.

*Obsess about it.*

Quality is to be caused, not controlled.  
Deliver quality structures by involving  
technical expertise, sincere effort, smart  
direction and skillful implementation.

Execute Perfection.

## About Us

Pinnacle Infraheights Private Limited has steadily grown from a small firm begun in 1981 into one of the most respected providers of Construction and Interior services, executing turnkey projects across a gamut of sectors like Healthcare, Education, Commercial Facilities and Hospitality. We are engaged in planning, design, construction & development of infrastructure projects.

Pinnacle understands that construction means more than simply following drawings. It is about making the architect's and client's vision come to life. Details are as important as the bigger picture. We approach each project with a cooperative mind-set, working with clients, architects and subcontractors towards a common goal – successful project delivery.

# Integrity

Build trust.

Stand for something or you'll fall for anything. Show clear commitment to ethical conduct and transparency that is pivotal in building successful partnerships.

Execute Honestly.

## Team

Pinnacle's success comes from the integrity, passion and strong work ethics of our team members. The collective expertise we bring to work each day is among our greatest assets. Pinnacle goes to great lengths to foster a spirit of cooperation and communication among office staff, field staff, subcontractors, suppliers and valued clients.

Pinnacle's founding principles and ethics permeate right through our policies and strategies. Starting with our core management team right down to each member of our ground staff, the focus is on quality and serving customers well. Our qualified and highly motivated management team provides a clear direction to the company, acting as the guiding force behind the organization's growth.

## Commitment

*Do it.*

Commitment to quality, schedule, budget, conduct is a stand worth living for. Ignite action that guarantees the job will be done as promised - no exceptions. Clients should expect nothing less.

Execute Promises.

## Methodology

As a Turnkey Contractor, Pinnacle offers its clients, services that tend to their every need. We work around a comprehensive Design-Build Process that lets us collaborate with our clients during the entire spectrum of the project from design, budgeting, pre-construction to the construction and interior design phase. The process ensures that the project is a reflection of the client's vision in its entirety.

Pinnacle stays in constant contact, proactively identifying potential design issues and addressing risk up front which saves time and results in a lower overall cost to our client. With one eye always on energy efficiency, we ensure that good design doesn't mean high maintenance, so that your structure is as Green as possible. We take pride in our ability to meet aggressive schedules while maintaining high attention to detail that our clients deserve and have come to expect from us.

Even as the project phase is winding down, we ascertain we've given our clients a complete, problem-free project as well as the knowledge to use and maintain it. We remain available and committed to our clients, ensuring that the value delivered during the execution of project stands the test of time.
